Mark up

Finish

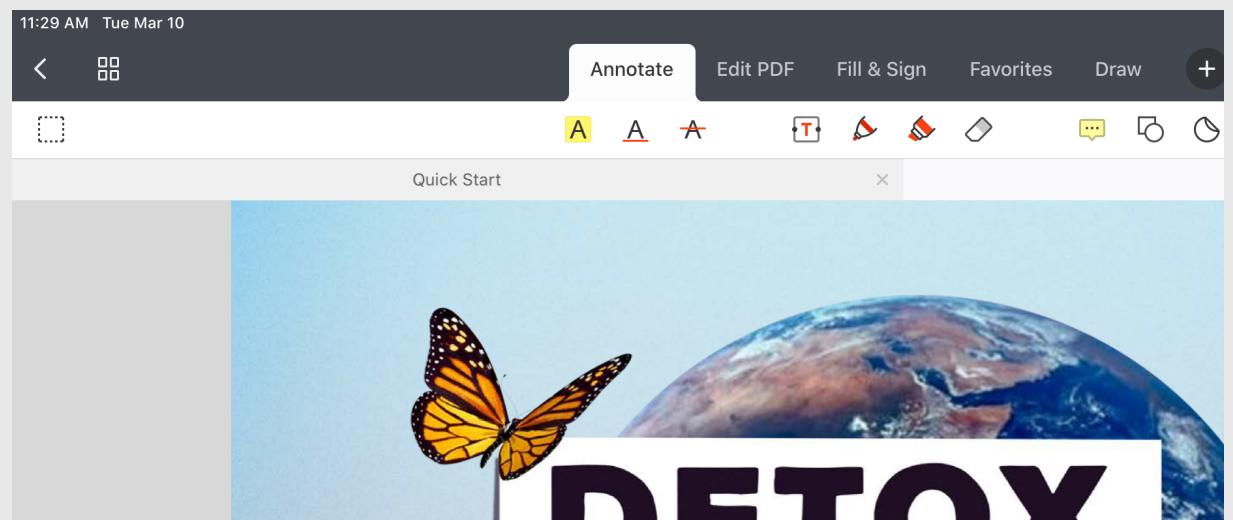

Find a catalog to mark up in the **My Catalogs** folder.

**My Catalogs** - Contains the catalogs you made on the ProCatalog website.

**Markup** - Save marked up catalogs here to be processed.

**Quick Start** - You're reading it!

Save a copy

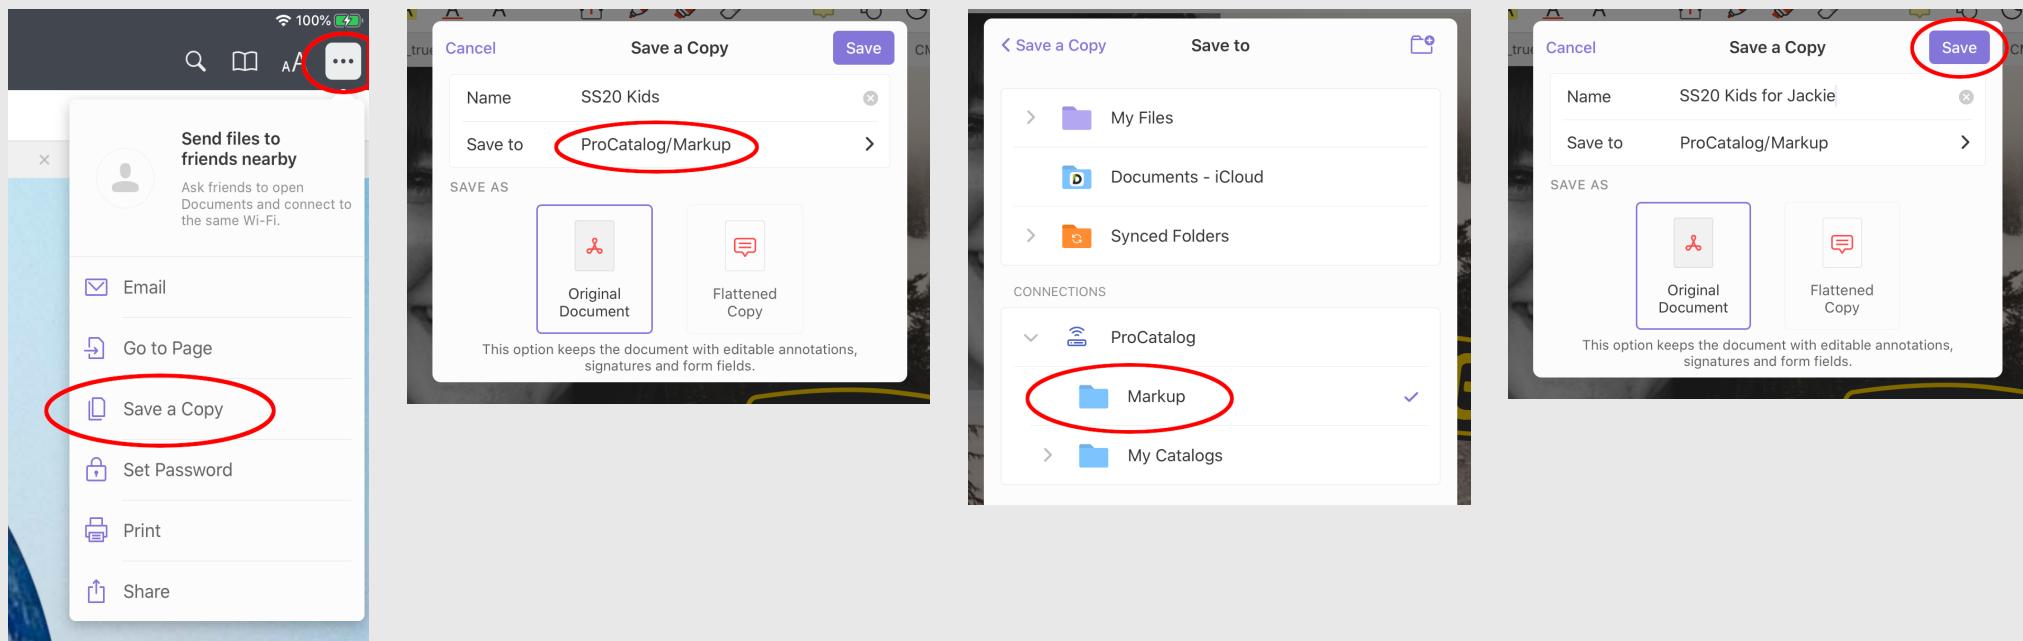

Mark up

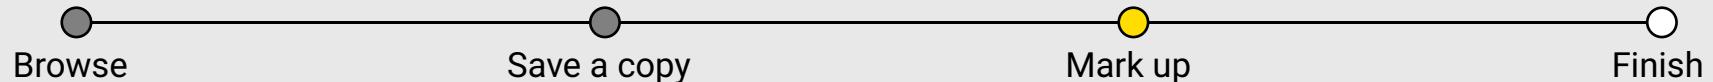

Finish

Save a copy of the catalog  
**before** making any changes.

Save to the **Markup** folder.

Choose a descriptive name  
and save.

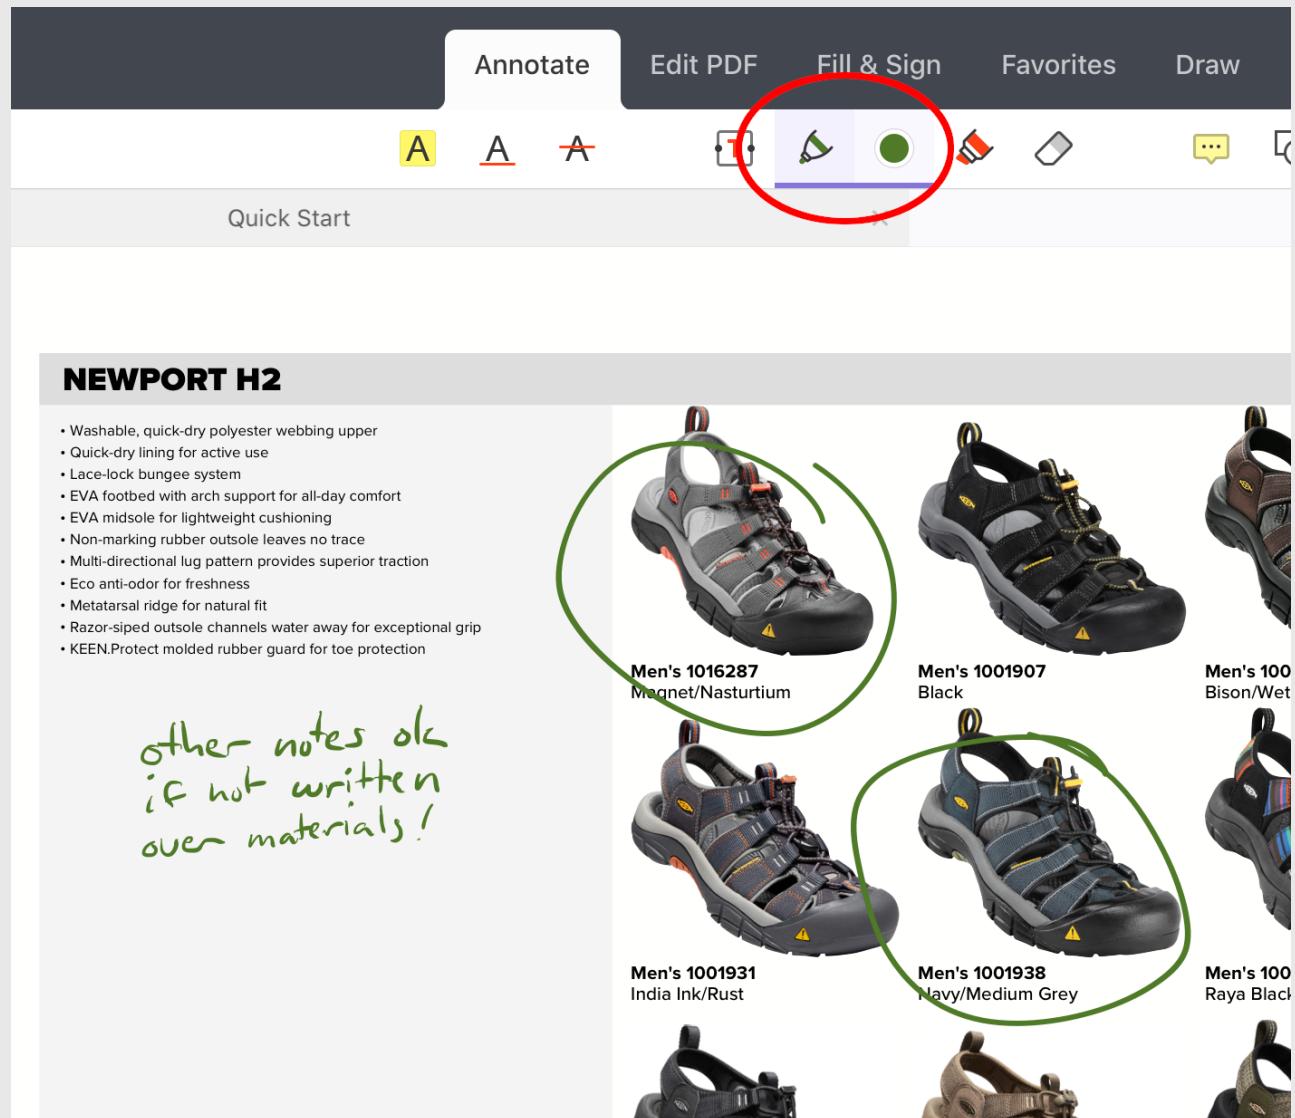

With the pen tool, circle the materials you want to include in the spreadsheet.

Line color and size don't matter.

Don't overlap other materials too much or they might get selected by accident.

Save a copy

Mark up

Finish

Close the catalog. Changes will be uploaded automatically.

In a few minutes you'll receive an email with the finished spreadsheet.

You can also find the spreadsheet in the **Markup** folder. You may have to swipe down to refresh.
